

Prof. Gino Marioni, MD

Department of Neuroscience DNS

Otolaryngology Section

University of Padova

ITALY

Curriculum vitae

Curriculum vitae

Full name: Gino Marioni
Date of birth June 11th, 1969
Place of birth: Udine (Italy)
Family status: married with 2 children (Leonardo 9yo, Rachele 5yo)
Home address Via Col del Rosso, 35141 Padova
Via Monfalcone 8/A, 33100 Udine
Office address: Department of Neuroscience DNS
Otolaryngology Section
University of Padova
Via Giustiniani n.2, 35128 Padova, ITALY
Telephone: +39 049 8212029 (Department of Neuroscience DNS,
University of Padova, ITALY)
Fax: +39 049 8213113 (Otolaryngology Section, Department of
Neuroscience DNS, University of Padova, ITALY)
e-mail: gino.marioni@unipd.it

University/Hospital appointments

- From February 2, 2015 to date: Associate Professor, Department of Neuroscience, Otolaryngology Section, University of Padova.
- From October 2017 to date: Chairman of the Council for the Degree Course in Audioprosthetic Techniques, University of Padua.
- From January 2012: Assistant Professor, Department of Neuroscience, Otolaryngology Section, University of Padova.
- The Italian National Scientific Qualification Call for **2012** and **2016** found Prof. Marioni suitable for the role of Full Professor in the academic area of Otolaryngology/Audiology.
- From February 2006 to December 2011: Assistant Professor, Department of Neurosciences, Otolaryngology Section, University of Padova

Academic management positions

- From 2018 to date: member of the Ethics Committee for Clinical Trials of the Province of Padua, Hospital of Padua.

- From March 2013 to date: member of the Scientific Commission, Medicine Area (2012-2016), University of Padua.
- From February 2012 to date: Member of the Scientific Committee of the Department of Neuroscience, University of Padua.
- From 2011 to date: Member of the Commission for assessing University-funded projects in the area of Medicine and Surgery, University of Padova.
- 2016: assessor of research conducted at universities and research centers supervised by the Italian Ministry for the University for the seven years from 2011 to 2014 (VQR 2011-2014)
- 2012: assessor of research conducted at universities and research centers supervised by the Italian Ministry for the University for the seven years from 2004 to 2010 (VQR 2004-2010)
- 2008/2012: Member of the Board of the Department of Medical-Surgical Specialties.
- 2010: Member of the Board of the Faculty of Medicine and Surgery, University of Padova.

Medical education

- 1995** Doctor of Medicine and Surgery, University of Udine
1999 Specialization in Otolaryngology (Prof. A. Staffieri, Prof. S. Iurato, Prof. A. Ferlito), University of Udine

International fellowships

- Head and neck surgical oncology, Department of Otolaryngology Head and Neck Surgery of the Academic Hospital VU of Amsterdam (Holland) (Prof. G. Snow) (February-April, 1997).
- Neurotologic and skull base surgery, Hals-, Nasen- Ohrenkranke der J Maximilian Universität, Würzburg (Germany) (Prof. J. Helms) (June-July, 1998).
- Neurotologic and skull base surgery, Hals-, Nasen- Ohrenkranke der J Maximilian Universität, Würzburg (Germany) (Prof. J. Helms) (February-April, 1999)

Society membership

- 1996-present** Member of the Italian Society of Otolaryngology and Cranio-facial Surgery (SIO).
- 2009-2011** Elected member of the Board of Directors of the National Association of University Otorhinolaryngologists (AUORL) within the Italian Society of Otorhinolaryngology and Head and Neck Surgery.
- 2010-present** Member of the Italian Association of Otorhinolaryngology and Geriatrics (AIOG)
- 2012-present** Member of the Board of the European Study Group for Rehabilitation and Functional Surgery following Laryngectomy (EGFL)

Research in otolaryngology

Editorial Board Membership

- March 2005-present: Member of Editorial Board, American Journal of Otolaryngology (USA) (*Impact factor 2016 [IF]: 1.033*)
- March 2006-present: Member of Editorial Board, Acta Otolaryngologica (Stockholm) (*IF: 1.116*)
- January 2014-present: Member of Editorial Board, ORL Journal for Otorhino-laryngology and its Related Specialties (Basel-CH) (*IF: 1.055*)

February 2015-present: Member of Editorial Board (Subject Area Editor: Head and neck) International Journal of Biological Markers (IJBM) (IF: 1.457)

2015-present: Member of Editorial Board, Brazilian Journal of Otorhinolaryngology (IF: 0.653)

2017-present Member of the Italian Scientific Board, Acta Otorhinolaryngologica Italica (IF: 1.530)

2008-present: Member of Editorial Board, The Open Otorhinolaryngology Journal

2011-present: Member of Editorial Board, World Journal of Otorhinolaryngology (China).

2016-present: Member of Editorial Board, Otorhinolaryngology Head and Neck Surgery (OHNS)

2017-present: Member of Editorial Board, IL Journal of Otolaryngology and Rhinology

International Review Board Membership (in alphabetical order)

Honors and awards

Marioni G, Blandamura S, Calgaro N, Fischetto D, de Filippis C. *Nuclear and cytoplasmic maspin expressions in laryngeal carcinoma and their prognostic relevance*. Second ex-aequo prize. Italian Society of Otolaryngology Head and Neck Surgery, National Award "Bilancioni-Ferreri-Gradenigo". Turin 2004.

Marioni G, Ottaviano G, Staffieri C, Blandamura S. *Tumour angiogenesis: the prognostic role of CD105 in laryngeal carcinoma*. First prize. Italian Society of Otolaryngology Head and Neck Surgery National Award. Bologna, May 31-June 3, 2006.

Marioni G, Marchese-Ragona R, Staffieri C, Ottaviano G, Blandamura S. *Onco-suppressive mechanisms MASPIN-mediated in laryngeal carcinoma*. Second prize. Italian Society of Otolaryngology Head and Neck Surgery National Award "Bilancioni-Ferreri-Gradenigo". Lecce, May 23-26, 2007

Marioni G, Ottaviano G, Marchese-Ragona R, Blandamura S. *In laryngeal SCC cervical lymph node metastasis occurrence is related to MASPIN pattern of expression and not to EGFR expression*. First prize. Italian Society of Otolaryngology Head and Neck Surgery National Award, "Bilancioni-Ferreri-Gradenigo". Rimini, May 13-16, 2009

Marioni G, Marino F, Staffieri C, Blandamura S. *Prognostic role of Angiogenin and CD105 expressions in laryngeal cancer*. First prize. Italian Society of Otolaryngology Head and Neck Surgery National Award, "Caliceti-Citelli-Pietrantonio". Riccione, May 19-22, 2010

Marioni G, Lionello M, Blandamura S. *Expression, prognostic role e therapeutic perspectives of mTOR (mammalian Target Of Rapamycin) in laryngeal cancer*. First prize. Italian Society of Otolaryngology Head and Neck Surgery National Award, "Bilancioni-Ferreri-Gradenigo". Udine, May 25-28, 2011.

Marioni G, Accordi D, Aielli F, Blandamura S. *Nuclear MASPIN is related to better prognosis in elderly patients laryngeal carcinoma*. Second prize. Italian Society of Otolaryngology Head and Neck Surgery National Award, "Bilancioni-Ferreri-Gradenigo". Udine, May 25-28, 2011.

Marioni G, Lionello M, Lovato A, Staffieri C, Blandamura S. *Post-operative RT in laryngeal carcinoma. Can a panel of biomarkers improve the prognostic role of current criteria*. First prize. Italian Society of Otolaryngology Head and Neck Surgery National Award, "Bilancioni-Ferreri-Gradenigo". Roma, May 28-31, 2013.

Lucioni M, Bertolin A, Lionello M, Ghirardo G, Rizzotto G, **Marioni G**. *Transoral laser microsurgery for laryngeal stenoses after partial reconstructive laryngectomy*. Third prize. Italian Society of Otolaryngology Head and Neck Surgery National Award, "Bilancioni-Ferreri-Gradenigo". Roma, May 25-28, 2016.

Report on the evaluation of the Department of Medical and Surgical Specialties, Medical faculty, University of Padova (period 2002-2006) by Sterry W [Berlin, GER], Sammons RL [Birmingham, UK], Kompatscher [Feldkirch, Austria], Gimigliano R [Naples, Italy], Mader K [Cologne, GER]. Dec 13, 2007.

Program 14. Head and neck surgical oncology. Modern diagnostic and therapeutic modalities. Project leader Prof. A. Staffieri, presenter Dr. G. Marioni. Originality: proper approach and conduction, good; efficacy: strong singular publication force by Marioni; relevance: good; outcome: good; conclusion: very good.

Program 15. Otology and neurotology. Project leader Dr. M. Savastano, presenter Dr. G. Marioni. Originality: good; efficacy: good; relevance: good; outcome: good; conclusion: good concept.

Program 16. Infectious diseases in otolaryngology. Project leader Dr. G. Marioni. Originality: good; efficacy: very good; relevance: good; outcome: good; conclusion: possible collaboration with dentistry.

Main research fields of interest:

- head and neck (HN) surgical oncology (particularly primary/salvage partial and reconstructive laryngeal surgery for advanced carcinoma, modern molecular diagnostic/prognostic tools in HN surgical oncology, targeted therapy for HN carcinoma, rational treatment of HN carcinoma in elderly patients);
- oto-neuro-vestibology (advanced diagnosis, surgical and rehabilitative treatments);
- audiology;
- geriatric otolaryngology
- HN infectious diseases.

Prof. Marioni has contributed to several international and national conferences and courses.

Teaching responsibilities

- International

Tutor on the Intensive Practical Course on Dissective Anatomy and Operative Techniques for the Neck, Parotid Gland, and Oral Cavity Surgery, Brussels (Belgium) October 29-31, 2006.

- National

Staffieri A, de Filippis C, Marchese-Ragona R, **Marioni G**. *Svuotamenti laterocervicali selettivi*. XCIII Congresso Nazionale della

Società Italiana di Otorinolaringoiatria e Chirurgia Cervico-facciale. Bologna, June 2006.

Marioni G, Staffieri C. *La video-oculografia. Ruolo clinico e medico-legale della metodica*. XCVI Congresso Nazionale della Società Italiana di Otorinolaringoiatria e Chirurgia Cervico-facciale. Rimini, May 2009.

Marioni G, Blandamura S, Staffieri C, Ottaviano G, Staffieri A. *Recenti evidenze e prospettive cliniche della target-therapy in oncologia della testa e del collo*. XCVII Congresso Nazionale della Società Italiana di Otorinolaringoiatria e Chirurgia Cervico-facciale. Riccione, May 2010.

Mazzoni A, Zanoletti E, **Marioni G**, Martini A. *Carcinoma squamocellulare dell'orecchio esterno-osso temporale. Evidenze e prospettive nella diagnosi e nel trattamento*. CCII Congresso Nazionale della Società Italiana di Otorinolaringoiatria e Chirurgia Cervico-facciale. Roma, May 27-30, 2015.

Marioni G. *Biologia delle metastasi laterocervicali*. Masterclass "Patologia cervicale in Oncologia Cervico-Cefalica". Padova, Nov 13-14, 2015.

- *Institutional*

Since 2006, Dr Marioni has been teaching at the School of Medicine, School of Dentistry, School of Physiatics, Schools of Specialization in Otolaryngology, Geriatrics, Internal Medicine, Medical Oncology, Audiology and Phoniatics, Maxillofacial Surgery, Plastic and Reconstructive Surgery, PhD School of Oncology and Surgical Oncology, PhD School of Translational Specialistic Medicine "GB Morgagni", University of Padova.

Surgical activity

Prof. Marioni has performed more than 2100 oto-rhino-laryngological surgical procedures as first operator or assistant.
