

Mara Thiene

Curriculum Vitae

May 2019

PERSONAL DETAILS

Born: Vicenza (Italy), on October 31st 1967.
Citizenship: Italian
Marital Status: Married to Giordano Basso, two children: Maria (1996) and Giulio (2002).

EMPLOYMENT AND AFFILIATION

Current Position

2018 – present Professor – University of Padova
Department of Land, Environment, Agriculture and Forestry
Viale dell'Università, 106, 35020 Legnaro, Padova (Italy)
Phone +39-049-8272760 Fax +39-049-8272750
mara.thiene@unipd.it

2013 – 2018 Associate professor – University of Padova
2000 – 2013 Assistant professor – University of Padova
2011 -2014 Visiting professor (affiliation) at Centre for the Study of Choice, University of Technology, Sydney, Australia
2014- present Adjunct Senior Research Fellow (affiliation) at Institute for Choice, University of South Australia, Sydney, Australia
2018 – present Honorary Professor, School of Economics, Faculty of Arts and Social Sciences, University of Sydney, Sydney, Australia.

INSTITUTIONAL ACTIVITIES

2013- 2015 Deputy VC for international relations with Australia and New Zealand, (University of Padova)
2015-present Deputy Advisor for international relations for Department of Land, Environment, Agriculture and Forestry (University of Padova)
2106- present Chief advisor for international relations with Oceania and South-Asia (University of Padova)

LANGUAGE SKILLS

English: fluent
German: intermediate

EDUCATION

1986-1992 Laurea (B.Sc.) in Agricultural Sciences, University of Padua.
1993 Fellowship by the National Council of Research (CNR), Padua.
1994-1997 Ph.D. major field: the economics of valuation and land appraisal; minor field: natural resource economics. Degree granted in May 1997 at the University of Padua.
1997 Fellowship by the Regional Park of Colli Euganei (Italy), on resource and economic valuation in a protected area.
1998-2000 Post-Doctoral Fellowship, University of Padua, on the effects of Common Agricultural Policy in Agro-food systems.

RESEARCH AREAS

Environmental and resource economics, discrete-choice modelling, food choice, non-market valuation, agricultural and food economics, forest economics, energy economics, rural economics.

RESEARCH IN PROGRESS

- The role of antecedent volition on consumer choice behaviour in outdoor recreation and wood based construction materials (with Joffre Swait, Erasmus University Rotterdam, the Netherlands)
- Food choice (with George Hutchinson, School of Biological Sciences, Faculty of Medicine and Life Sciences, Queens University Belfast, Belfast, United Kingdom, R. Scarpa, The University of Waikato)
- The influence of individuals in forming collective household preferences for water quality and outdoor recreation (with C. Rungie, University of South Australia, Adelaide, Australia and R. Scarpa, The University of Waikato, New Zealand).
- Multifunctional services of soil (with A. McBratney, University of Sydney, Australia)
- Flexible and Printable Sensors for Early Detection of Food Spoilage (with Fariba Dehghani, University of Sydney, Australia)
- Companions and competition: personality heterogeneity in outdoor recreation (with E. Morey, University of Colorado, USA).
- Prosecco wines: making sense of local consumer attitude with RP-SP data fusion (with R. Scarpa, The University of Waikato, New Zealand, L. Galletto, University of Padua, Italy)

EDITORIAL ACTIVITY

- Associate editor of *Australian Journal of Agricultural and Resource Economics* (since December 2015).
- Editorial Board of *European Review of Agricultural Economics* (since March 2019)
- Editorial Board of *Economia Agro-Alimentare* (since July 2014)

REVIEWER ACTIVITY

Reviewer for the following journals: *Journal of Environmental Economics and Management*, *American Journal of Agricultural Economics*, *Environmental and Resource Economics*, *Journal of Choice Modelling*, *Land Economics*, *Journal of Consumer Affairs*, *European Review of Agricultural Economics*, *Food Policy*, *Ecological Economics*, *Agricultural Economics*, *Journal of Agricultural Economics*, *Australian Journal of Agricultural and Resource Economics*, *Resource and Energy Economics*, *Journal of Forest Economics*, *Journal of Environmental Economics & Policy*, *Journal of Leisure Research*, *Journal of Environmental Management*, *Applied Economics*, *Land Use Policy*, *Journal of Transport Economics and Policy*, *Transportation Research Part A: Policy and Practice*, *Tourism Economics*, *Regional Environmental Change*, *Papers in Regional Science*, *Marine Resource Economics*, *Geoderma*, *Rivista di Economia Agraria*, *Politica Agricola Internazionale*, *Aestimum*..

RESEARCH EVALUATION ACTIVITY

- Invited Examiner Board (2015) by ANVUR (National Agency for the Evaluation of Universities and Research) for the 2011-2014 round of national assessment of research quality and products of the Italian academia. Role: member of the national valuation panel of experts. The panel is in charge of evaluating the scientific merit of peer-reviewed scientific publications of all Italian scientists.
- Invited Reviewer for research grant by Foundation Flanders *FWO (Fonds Wetenschappelijk Onderzoek-Vlaanderen)* Flanders, Brussel (2015);

RESEARCH VISITS (SELECTION)

- 2006-2007 Department of Economics, Waikato Management School, The University of Waikato, Hamilton, (New Zealand), prof. F. Scrimgeour and prof. R. Scarpa, November 2006 – February 2007.
- 2007 Department of Agricultural Economics & Management, Faculty of Agricultural, Food & Environmental Quality Sciences, The Hebrew University of Jerusalem, Rehovot, (Israel), Prof. Y. Tsur, September.
- 2009 Economic Department, University of Colorado, Boulder, (USA), prof. E. Morey, July-August.
- 2011 Center for the Study of Choice, University of Technology (UTS), Sydney, (Australia), prof. J. Louviere, February and November
- 2012 School of Marketing - Ehrenberg Bass Institute of Marketing Science, University of South Australia, Adelaide (Australia), Prof. L. Lockshin, November
Institute of Transport and Logistics Studies, The University of Sydney, Sydney (Australia), prof. J. Rose, November
- 2014 Institute for Choice (I4C), University of South Australia, Sydney (Australia), Prof. J. Swait, April
Tropical Agricultural Research and Higher Education Center (CATIE) - Turrialba, (Costa Rica), dott. R. Vignola, July-August
- 2015 Business School, The University of Queensland (UQ), Brisbane (Australia), Prof. L. Coote, August
- 2016 Business School, Durham University, Durham (UK), Prof. R. Scarpa, January
- 2017 University of British Columbia (UBC), Vancouver, (Canada), prof. S. Gergel, August
University of Sydney, Sydney, (Australia), Prof. C. Harmon (Head of School of Economics), October
- 2018 University of Sydney, Sydney, (Australia), Prof. Tiho Ancev (School of Economics), Prof. Alex McBratney (Director of Sydney Institute of Agriculture) December

BILATERAL AGREEMENTS

Role in signing Memorandum of Understanding with:

- National Institute of Water and Atmospheric Research (NIWA, Hamilton, New Zealand, 2013)
- Massey University of New Zealand (Palmerston North, New Zealand), Aberystwyth University (Aberystwyth, Wales, 2013)
- Faculty of Agriculture and Environment, The University of Sydney, (Sydney, Australia, 2014)
- The University of South Australia, (Adelaide, Australia, 2014)
- Faculty of Forestry, The University of British Columbia, (Vancouver, Canada, 2016)
- The University of Sydney (Sydney, Australia, 2016)
- Australian National University (ANU), (Canberra Australia, 2016)
- The University of British Columbia, (Vancouver, Canada, 2018)
- University of California, Berkeley, (Berkeley, USA, 2018)
- Queensland University of Technology (Brisbane, Australia, 2018)
- Monash University (Melbourne, Australia, 2018)

TEACHING ACTIVITY (ITALIAN COURSES)

- Marketing of agro-food products (1997-1999)
- Agricultural Economics (2000-2002)
- Land Appraisal (Italian) (2003)
- Principles of Economics and Environmental Economics (2003-present)
- Resources Valuation (2010-2013, 2015-present)
- Energy and Sustainability in the XX (2015-present)

TEACHING ACTIVITY (INTERNATIONAL)

2013-2014 *Research Planning* (6 credits), Erasmus Mundus Course: Mediterranean Forestry and Natural Resources (MEDFOR), Sustainable Tropical Forestry (SUTROFOR) and Sustainable Forest and Nature Management (SUFONAMA), University of Padua.

2014, 2017-2019 *Valuation and Assessment of Forest and Environmental Goods and Services* (6 credits), Erasmus Mundus Course: Mediterranean Forestry and Natural Resources (MEDFOR) and Sustainable Forest and Nature Management (SUFONAMA), University of Padua.

2015-2016 *Natural resource and environmental economics* (6 credits), International Master Degree in Forest Science, Erasmus Mundus Course: Mediterranean Forestry and Natural Resources (MEDFOR) and Sustainable Forest and Nature Management (SUFONAMA), University of Padua.

2016 Business School, *Environmental Economics and Policy* (Econ40615 Postgraduate), *Environmental Economics and Policy* (Econ3161 Undergraduate), *Environmental Valuation* (Econ44015 Postgraduate), Durham University, Business School, February 1st- 5th 2016.

2017 School of Economics, University of Sydney (Australia), AREC 2004 *Benefit-Cost Analysis*, October 16th 2017, lecture module leader Dr. Stacey Paterson.

School of Economics, University of Sydney (Australia), AREC 3004 *Economics of Water & Bio-Resources*, October 20th 2017, lecture module leader, Prof. Tiho Ancev.

ADVANCED COURSES

- International Summer School on Discrete Choice Models (2008), University of Bologna, Italy, Alma Mater Studiorum (Lecturer)
- International Summer School on Experimental Design for Stated Choice (September 27th-October 1st, 2010), Venice Foundation (Scientific and Organizing Committee)
- International Advanced Course in Experimental Design for Stated Choice (October 28th-November 1st, 2010), Sardinia, University of Trento, Italy (Organizing Committee)
- International Summer School "Advances in Discrete Choice Models and Experimental Design for Stated Choice Data in Energy and Environmental Resources" (29th August – 9th September, 2011) CenSoC, UTS, Sydney and University of Padua, Italy (Scientific, Organizing Committee and Lecturer)
- International Summer School: "Choice Experiments in Agricultural and Food Economics", June 28th – 29th, 2016, Division of Bioeconomics, Department of Earth and Environmental Sciences, KU Leuven (Belgium) Lecture: *Accounting for Attribute Non Attendance in Choice Experiment* (Guest lecture)
- International Summer School: "Sustainability of meat production" School of Agriculture and Veterinary Medicine, University of Padova, July 10th -15th 2017, Lecture: *Consumers' willingness to pay for food products.* (Guest lecture)
- International Winter School: "Food and Health" jointly organized with The University of Sydney (Australia), University of Padova, January 25th – February 9th 2018. Lecture: *Consumers and food selection: determinants of choice for a healthy diet.* (Director of the Course, Scientific and Organizing Committee, Lecturer)

ACTIVITY IN PHD PROGRAMS

- 2003-2009: Member of the PhD committee of on Viticulture, Oenology and Marketing of Wine products (University of Padua). Lecturer.
- 2008: Member of the Commission of final Ph.D. defense in Valorizzazione e gestione delle risorse agroforestali, Centro per la Formazione in Economia e Politica, Portici, Università degli Studi di Napoli Federico II, (NA). Lecturer.
- 2010-to present: Member of the PhD committee on Land Environment Resources and Health (L.E.R.H.) at Dept. TESAF (University of Padua)
- 2011-present: Erasmus Mundus Joint Doctorate Programme *Forest and nature for Society (FONASO)*. Consortium of 17 universities, amongst other: University of Copenhagen, Swedish University of Agricultural Sciences, Bangor University, Dresden University of Technology, University of Göttingen, AgroParisTech, University of Padova. Member of the PhD list of supervisors and Lecturers.
- 2015: Member of the PhD selection Committee of PhD candidates for Scholarship by Fondazione Cassa di Risparmio di Padova e Rovigo (University of Padua).
- 2013: Member of the Commission of final Ph.D. defense of dr. Matthew Beck (supervisor prof. John Rose), The University of Sydney, Business School, Institute of Transport and Logistics Studies (Australia).
- 2015: Member of the Commission of final Ph.D. defense of Dottorato di Ricerca in Scienze e Tecnologie Agrarie, Ambientali ed Alimentari, University of Bologna.
- 2016: Member of the Commission of final Ph.D. defense of dr. Minh Duc Nguyen (supervisor prof. Tiho Ancev), The University of Sydney, Faculty of Agriculture and Environment (Australia).
- 2018: Member of the Commission of final Ph.D. defense of dr. Lea Svenningsen (supervisor prof. Søren Bøye Olsen), University of Copenhagen, Department of Food and Resource Economics (Sweden).

CONSULTING EXPERIENCE

- *International consulting activity:*
 - collaboration on studies on water restriction by URS Australia Pty Ltd Victoria, Melbourne, Australia (2008-09);
 - collaboration on studies on willingness to pay for water service factors by residential and business customers for tariff definition by Yorkshire Water, Bradford, UK (2011-12); United Utilities Water, Warrington, UK (2012); Anglian Water Services, Huntingdon, Cambridgeshire, UK. (2012); Northern Ireland Water (Northern Ireland Water Ltd), Belfast, (Northern Ireland) (2013).
- *National consulting activity:*
 - Authority of Environment, Vicenza Provincial Council (2008-11);
 - Natura 2000 Plan, Parco Naturale Regionale delle Dolomiti d'Ampezzo (Cortina d'Ampezzo, Belluno) (2010)
 - CapacityLAB to build on Cohesion and Development Policy Programs (Regional Development Program Basilicata 2014-2020), Italian National Government and the Basilicata Region (2012).
- *NGO and International Agency:* collaboration with CESVI (NGO) in the area of the Sagarmatha National Park (Nepal) regarding the role of modeling eco-base tourist management (2007-2008)
